Benefits to ordering ONLINE

Please contact us to obtain login details to access our online ordering facility @ flowcom.fluidfittingsshop.com.

- If ordering via the web our standard next day carriage is only **£7.50** (UK Mainland Only) for orders less than £300 nett.
For orders of £300 nett or greater our standard next day carriage is **free of charge** (UK Mainland Only).
Certain products are exempt from the above carriage offers, see our website our contact us for full details.
- If you place an order on our website you can add to it during the day so only incurring a single carriage charge. At the checkout stage, select **"Add to previous order"** from the carriage options
- Our web site always reflects accurate real time free stock, what you see is what we have available at that time.
- When you log in to our site you will see your nett price and our stock levels.
- After you have logged in, select **"My Account"** on the top right hand side of the home page (next to logout), here you can view lots of information about your account. As well as viewing your account number, account address you also have full access to:
 - Display Orders
 - User settings
- If your business has a number of employees who require their own login details, please contact us and we will create them and forward them to each user.
